CROWN  
MATTING TECHNOLOGIES

3-Mat  
System

### Crown Matting Technologies,

located in Fremont, Ohio, has been setting the pace in commercial matting, using proprietary innovative technologies to further our products and provide incomparable value to the industry for over 80 years.

From front door to back, and every step in between, Crown brings forward comprehensive matting solutions by offering the most diverse selection of matting in the industry, while continuing to lead in the area of custom cut matting solutions.

Crown Matting Technologies has been fortunate to serve a generation of business owners and public institutions, helping maintain and improve both the appearance and safety of buildings worldwide. We're honored to have done so. We look forward to continuing to bring forward innovative and comprehensive matting solutions for generations to come ... one mat at a time.

WORKING HARD FOR THE HARD WORKING

Total Confidence Warranty means we stand behind this product for the life of the product. See our website for complete details.

Exclusive ThermoFlex Technology offers increased durability and allows for custom width of up to 11'9".

Look for LOGO icon throughout this catalog to know which matting products are a part of our custom logo program.

Our patented Zedlan Foam outwears and outperforms standard foam by nearly 3 to 1.

Exclusive technology that permanently bonds two surfaces without use of glues or adhesives.

Our Slip-Resistant icon indicates foam products coated with our unique slip-resistant formulation to provide additional safety benefits.

The D.I.N.P. Free icon indicates products that comply with the State of California's Proposition 65 regulations.

The ThermoGrip icon indicates products with our exclusive red backing which ends mat curling and also provides an anti-microbial solution.

# 3 MAT SYSTEM

## 1 SCRAPER

- Scrapes heavy debris
- Your first defense against mud, dirt, and snow
- Choose matting with a non-absorbent scraping surface, or open weave backing, to allow moisture to drain naturally

## 2 SCRAPER/WIPER

- Cleans & absorbs moisture
- The workhorse of the system
- Designed to remove and contain soil, waste particles and moisture at the entrance

## 3 WIPER

- Absorbs moisture & dries
- Removes remaining moisture, fine fragments and dust from footwear upon entrance to the interior of building

Jasper  
Oxford Elite  
Dust Star

# THE REAL DIRT

Amount of dirt in a building  
that is tracked in on feet

Estimated cost of removing  
a single pound of dirt from  
a modern building

The amount of dirt 1,000 people can  
track into a building in just 20 days

**\$1** spent keeping soil out of a  
building will save **\$10** in  
removing the soil once it's inside

Entrance matting should  
cover **15 to 18** feet of an  
entrance, preventing **80-90 %** of  
dirt from coming into the facility

**#175 Jasper**

# Outdoor Matting

## Preserve Your Interior Flooring: With the Right Entry Matting

Dirt and other debris can cause costly damage to interior flooring, both hard surfaces and carpets. Additionally, inadequate entry matting can have a negative impact on indoor air quality. An outdoor mat is the first line of defense against dirt and debris, and an effective way to manage it.

When selecting an outdoor mat, consider the following:

- Opt for a mat with an aggressive surface that is designed for vigorous scraping.
- High-quality outdoor mats can trap and hold up to three pounds of dirt per square foot, ultimately reducing overall building cleaning costs.
- Deep-pile products can keep dirt from entering the building.
- Choose colors that effectively conceal dirt, sand, salt, and other debris.

# Indoor Matting Solutions

Scraper/Wiper mats are often viewed as the best overall matting available. Ideally used to transition between rugged external matting and internal finishing mats, they scrape off light soils and absorb and retain water and moisture. Scraper/Wipers are often used for internal entryways – between external and internal doors, or as the first of two internal entry mats.

Wiper mats or “finishing” mats are best thought of as the final step in managing dirt and debris at the point of entry. The surface fibers pull off lingering dirt and dust, while absorbing and retaining water and wetness. Preventing the moisture from getting onto floors keeps them dry and safe. Wiper mats are also often used to support cleanliness throughout the building, such as outside of restrooms or kitchen and cafeteria entrances.

## #228 Marathon

# Logo/Specialty Mats & Accessories

Adding a logo to commercial matting can be an effective tool for enhancing the appearance and professionalism of any business or institutional environment. Logo mats can be used as highly visible entrance mats, a centerpiece for a lobby or reception areas, or a way to build an organization's image wherever internal matting is utilized.

Crown Matting Technologies provides a number of options for customers looking to add a logo to their overall matting programs. From flocked mats and Graphic Inlays to HD Jet-Print and Crown-Tred Printed Mats, Crown can best match your need with the most appropriate matting application. In addition to logo mats, Crown offers an extensive line of specialty mats and accessories to meet even the most complex or unique matting challenges.

## Logo Mats

Welcome your audience with a touch of elegance and uniqueness by utilizing custom image matting. Crown's promotional logo mats not only serve as a personalized greeting but also reinforce brand recognition.

To learn more about how our customer service department can assist you, please contact us.

## Crown-Tred Printed Mats

Used in heavy traffic areas for outdoor/ indoor use. The nitrile rubber scraper will withstand all weather elements and is UV protected. The image is digitally printed on a thermoplastic material and molded onto the mat which allows excellent color tones and color variations. The permanent bond process allows for a long lasting impression.

### #040 Crown-Tred Printed

SCRAPER | MEDIUM TRAFFIC

#### FEATURES

- First line of defense: designed for outdoors (UV resistant) and between entrance door applications
- Excellent color tones and shades with unparalleled detail and clarity
- Durable ¼" nitrile rubber construction. Oil, grease and chemical resistant
- No minimum quantity, no set up charge, PMS color match available (surcharge)

## Rug-Hugger Backing

### ACCESSORY

#### FEATURES / SPECIFICATIONS

- Anti-slip backing to reduce mat movement on carpets
- Can be factory applied to most vinyl backed products

## Mat-Lock Backing

### ACCESSORY

#### FEATURES / SPECIFICATIONS

- Slip-resistant backing to secure mat to hard surfaces such as wood, ceramic tile, marble, linoleum, etc.
- Can be factory applied to most vinyl backed products

## Velcro Backing Strips

### ACCESSORY

#### FEATURES / SPECIFICATIONS

- Self-applied adhesive Velcro strips to secure mat to loop-pile carpeting
- Can be easily applied to most vinyl backed products
- Available in 4" wide strips cut to length or by the 75' roll

## Nosing

### ACCESSORY

#### FEATURES / SPECIFICATIONS

- Loose edging to be applied to ends of your mat
- Available in standard rolls of ¾" x 100' or heavy-duty rolls of 1 ½" x 50'

## Tack-Tape

### ACCESSORY

#### FEATURES / SPECIFICATIONS

- Specially designed double-sided tape for securing foam products and vinyl backed carpet mats to floors
- Roll dimensions, 4" x 250'

# Ergonomic Mats

Ergonomic mats help ease leg, foot, and lower back fatigue and pain and can also assist in the areas of slip resistance, wet-area drainage, and worker safety.

## **Strong. Resilient. Safe.**

Three critical matting features that can dramatically influence the success of your workforce and your business. Zedlan Foam was developed with these workplace imperatives in mind.

- **Strong** - Zedlan Foam outwears similar products by nearly 3-to-1.
- **Resilient** - Zedlan Foam has three times the resilience of traditional ergonomic products.
- **Safe** - combined with our exclusive slip resistant technology, Zedlan Foam offers superior traction compared to standard foam products

Zedlan Foam.

Just one more way we support our customers by developing industry leading products that support their workforce

## Care and Maintenance

### Use & Care Instructions Entrance Matting

Regular maintenance of your mats is critical to extend mat life and appearance. It is recommended to develop a regular maintenance schedule. Frequency will depend on traffic and soil conditions.

#### INITIAL MAT USE

1. Within a few days of receipt, rolled mats should be unrolled and laid flat.
2. Normal shedding or “fuzzing” may occur with new carpet top mats. This will disappear after a few vacuuming.
3. Some rubber mats may have an oily or sticky film on them. This is a releasing agent that is inherent to molded mats, not a defect. Simply wash down with a mild detergent or degreaser to remove this film.
4. To store mats lay them in a dry area with moderate temperatures. Do not stand on end or crush.

#### PERIODIC INSPECTION

Periodic inspections are recommended on a regular basis to check for border tears. To repair a damaged border or area, glue the section together with cyanoacrylate ester type (super glue) adhesive.

#### CARPET MATS AND HDNP PRODUCTS

Entrance mats are used to capture dirt and debris before it can be tracked into a facility. However, mats must be cleaned regularly to extend their usefulness and appearance.

1. Vacuum daily
2. Hand wash or extract stains with a carpet spotter using a water-based carpet detergent or shampoo.
3. Periodically clean the mat with a carpet extractor using a water-based detergent or shampoo. Do not use solvent-based cleaners.
4. Excess water is removed by extracting or hanging the mat. Let the mat dry completely before allowing foot traffic to resume.

**IMPORTANT ! Do not use rotary scrubbers or other mechanical cleaners or scrubbers to clean.**

**Do not use solvents, pH detergents, or alkalis directly on the mat or use the mat in areas where these are used.**

## How to Order

With a global distribution network, it's easy to put the strength of our matting solutions to work for you.

Visit [www.crownmats.com](http://www.crownmats.com) to find the Crown Matting Technologies distributor/rep nearest you. Or, simply call our customer service team at **800-MAT-LINE (628-5463)**. We welcome the opportunity to discuss our products, take your request for a sample, or answer any questions you may have.

## Warranty

#### STANDARD LIMITED LIFE TIME WARRANTY POLICY

New products are warranted against defects in material and workmanship when maintained as instructed in the Use and Care Instructions included with each product. The obligation under this warranty is limited to the original user and to the replacement, repair, or pro-rated refund of said product. This warranty excludes the costs incurred for the installation of the carpet and/or mat. It remains the responsibility of the owner to carry out an inspection of the product prior to the installation.

#### **This Warranty Is Not Applicable Under The Following Circumstances:**

1. Improper use, application, installation or cleaning of the product
  2. Normal wear
  3. Use of this product for other than its intended purpose
  4. Lack of proper maintenance as described in the Use and Care Instructions included with each product
  5. Products that have been altered in any way
- If a problem with a product develops during the warranty period, contact your authorized dealer.

Please go to [www.crownmats.com](http://www.crownmats.com) for additional warranty information.
