- Gray

# Tuff - Spun 5/8" Flyball Box Mats

#430 - #431

Crown's Tuff Spun 5/8" mats have emerged as the preferred choice for covering the surface of Flyball boxes. They provide exceptional padding, grip, and durability. Made from industrial-grade PVC foam, Tuff Spun mats are designed to minimize fatigue, significantly reducing stress on legs, paws, hips, and joints. They ensure stable footing and outstanding traction for quicker takeoffs and turns, helping to prevent slips and pad burns.

Additionally, Tuff Spun mats are easy to clean and can be conveniently replaced.
